

# LORAL<sup>®</sup>

HBC 291 c.v.

Loral<sup>®</sup> HBC 291 c.v. was bred by the Hop Breeding Company (HBC) and released in 2016. Loral's mother is U.S. Glacier and her grandmother the long established French noble aroma variety Tardif de Bourgogne. The father is a son of the Nugget variety. Loral is characterized by having numerous small, dense cones with moderate alpha acids.
