HOP PROFILES

OPTIMIZED HOP EXTRACTS

When you extract the oil from hops, no matter how good your extraction is, you'll **always** wind up with certain undesirable plant compounds.

Abstrax Hop Profiles are true-to-type *optimized hop extracts* without any of the undesirable notes typically found in other dry-hop aroma oils.

100% efficient flavor/aroma transfer

Consistent from batch to batch

Increase in yield/profit 5-30%

THE FUTURE OF DRY HOPPING

THE POWER OF TERPENES

Zero Undesirable Plant Compounds

No Lipids

No Chlorophyll

No Waxes

Substantially Increased Yield/Profit

- 5-30% greater yield.
- Zero absorption loss.

100% Efficient Flavor/Aroma Transfer

- No special handling required.
- Flowable at room temperature.

No Solvents or Synthetic Carriers

- Water-soluble and completely dispersible.
