Notes

Type	Description	Note
CoA Note	Product Description	Incognito® is a flowable variety-specific extract of hops that provides enhanced hop flavor and aroma to beer while reducing kettle or whirlpool hop pellet use.
CoA Note	Storage	Incognito® stability is significantly enhanced when stored at or below 20 °C. Under these conditions, Incognito® is stable for 24 months. Shelf-life considerations are different for Incognito® packages that have been opened once and stored at recommended temperatures. In this case, Incognito® should be used within 6 months after opening if the total age of the contents does not exceed 24 months.
CoA Note	HACCP Statement	Composite product sample tested for heavy metals and lead on annual basis per John I. Haas HACCP program to ensure compliance with the specification.
CoA Note	Pesticide Statement	Pesticide residues are monitored in hop products under our BarthHaas Quality Guarantee.
